Any surgical OR table can be converted to a Beach Chair for arthroscopic surgery

Shoulder pull-away panels provide excellent surgical exposure

90 to 0°

# POWERED BEACH CHAIR

#800-0004 Powered Beach Chair

## ***The only powered surgical beach chair on the market with a self-contained motor***

The SchureMed Powered Beach Chair is the only shoulder surgery positioning chair on the market with a self-contained motor that does not rely on the surgical table for power. Our double-ball joint head positioning system safely secures the patient's head even with kyphosis patients. Attaches to ANY operating room table with our integrated, adjustable mounting clamps. Lateral brace included.

### **Features**

- ◆ Keeps the patient and operating room staff safer and more secure
- ◆ Attaches to ANY operating room table with our integrated, adjustable mounting clamps
- ◆ 5-Piece Deluxe Pad Set and Lateral Brace included
- ◆ 1,350 lbs. of lift securely supports arthroscopy patients up to 500 lbs
- ◆ Shoulder pull-away panels provide excellent surgical exposure
- ◆ Articulation range 0-90° in 8 seconds in a slow, controlled movement

## **COMPLETE SHOULDER SYSTEM**
